MEMORANDUM FOR: Deputy Director (Support)

SUBJECT: Comments on an Undated Report of the Inspector General, Entitled "Survey of CIA Regulations".

1. The Inspector General's report is organized into three main sections:

- I. Achieving a Regulatory System
- II. Improving the Regulatory System
- III. The Effects of the Regulatory System.

Section I consists of nine parts lettered A through I; Section II has eight parts lettered A through H; while Section III has only three parts, lettered A through C.

2. The format of the report provides the outline for the comments. An inspection of the attachment will reveal that quotations from the report numbered and lettered in accordance with its organization as explained above are to be found in the left column, while the right column consists of comments on the respective quotations.
